## **Welcome to Magnolia Health**

We would like to welcome you to Magnolia Health (Magnolia). Magnolia provides quality healthcare benefits that are convenient and accessible. Our main priority is making sure you receive high-quality healthcare coverage.

## **Easy to Use**

Getting benefits from Magnolia is easy. We believe the best way for you to keep good health is to develop a good relationship with your provider. That is why you, and each family member who is a member of Magnolia, selects a Primary Care Provider (PCP). When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by Magnolia. It's that simple.

## **In-Network Providers**

Providers that are in this directory are in-network providers. In-network providers have contracted with Magnolia. Magnolia has a relationship with these providers. We trust them to offer services to our members.

## **Out-of-Network Providers**

A provider who is not in our network is an out-of-network providers. Usually, we will not pay for out-of-network care. If you go to an out-of-network provider, you may have to pay for those services.

## **Handicap Accessibility**

If you use a wheelchair, walker or other aids and need assistance getting into your provider's office, call your provider's office before you get there. This way, someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Magnolia Member Services at 1-866-912-6285, Relay 711.

## **If You Have to be Hospitalized**

If you need hospitalization, your PCP or a Specialist will admit you to a hospital where he/she is affiliated. The hospitals you would be admitted to are listed on pages 1153-1174 of this directory.

## **Referrals to Specialists**

Your PCP must coordinate referrals to Specialists, Hospitals and Ancillary providers.

## **Immediate and Emergency Care**

If you have a serious illness or injury that requires immediate attention, first call your PCP. They know your medical history best. With Magnolia, you have access to medical services 24

hours a day, 365 days a year. In the event of a potentially life threatening emergency, call 911, or go to the nearest emergency room. If you are admitted to the hospital, please call or have someone call Magnolia within 48 hours to notify us of your medical situation.
